

Baccalaureate Mass and Commencement Ceremony

Video Order Form

High school graduation happens only once in a person's life. This is your opportunity to own a keepsake of that special day. Recorded in high-definition, Scranton Prep's Baccalaureate Mass and Commencement Ceremony are available on DVD, Blu-ray, and **now on USB*** (see below for details) for direct playback on laptops or PCs without optical drives and some streaming devices like newer Roku and NVIDIA Shield TV units!

The Baccalaureate Mass and Commencement are recorded from multiple camera angles and edited to create a wonderful memory of this important time in your student's life. Additionally, each cover can be personalized with the student's name, if provided.

Prices for each are as follows (shipping and personalized cover are included) :

DVD - \$20 Blu-ray/DVD combo - \$30 USB only - \$30 Blu-ray/USB combo - \$40

You can place your order with a check by mail or with a credit card over the Internet. (Do not send any credit card information through the Postal Service!) To order by check, please fill out the form below and mail it with your check (payable to John Berger**) to:

John Berger
P.O. Box 415
Mechanicsburg, PA 17055

To order by credit card, visit www.scrantonpreplayers.com and click on the "Graduation Video" link on the left side to place your order. For your convenience your order will be sent directly to you, not the school, regardless of your payment method.

Don't miss out on this special opportunity to preserve one of the most important events in your graduate's life!

Orders are expected to start shipping in early July and will be fulfilled in the order in which they were received.

This offer is being provided by a third party at the request of Scranton Preparatory School. Please do not contact Scranton Prep with questions regarding your order. Inquiries can be made to prepvid@scrantonpreplayers.com or to (424) 256-8333. The Scranton Prep logo is © Scranton Preparatory School. *USB drives will be formatted in NTFS and therefore might not work in older hardware or PlayStation consoles. Video files will be encoded in MP4 format and should be playable through most video playback software and streamers (with a USB port). **Check your playback hardware for NTFS and MP4 compatibility before ordering. Due to bandwidth restrictions, streaming options are not available. **John is a Prep graduate (Class of 1987) and worked with the Prep Players for almost 25 years.**
